With a wealth of wonderful and stunning beaches

Estuary House is the perfect base to experience the magic of the South Hams beaches, each with its own special qualities perfect for - "feeding your senses"

Visit Fisherman's Cove, Mill Bay and Lanacombe with their golden sands, you will find them ideal for picnics and sandcastles. When the South Devon sea breeze is on your face and you are feeling energised by the sparkling turquoise sea there really is no place you would rather be. At low tide, explore and discover rock pools at Thurlestone, Mattiscombe and Gara Rock with plenty of wonderful colours and creatures for you to find.

Jump the waves, swim and surf in the seas of Bantham, Sunny Cove and Blackpool Sands. The pebble beaches and awesome seas of North Hallsands, Torcross and Slapton have their own personalities, they can open your world as you experience the changing moods dictated by the tides and the weather.

Discover the picturesque isolated Elenders Cove with its untouched golden sands just waiting for your footprints.
