## About Us

We hope you like our website which is the culmination of 18 years enjoying holidays in and around South Pool - both before and now with our 4 children. After many years of staying in various holiday homes, we took the plunge in 2005 and bought Estuary House. We are based in Shropshire but spend as much of our family time as we can in South Pool. For us, South Hams has it all - it's a beautiful and unspoilt corner of Britain, with fabulous beaches and green rolling countryside. It's here that we slow down and have quality time with our family.

Our website has been designed to help you plan your stay at Estuary House. There's a super beaches guide, walks and links for things to do and places to go local to the area. Don't forget to print off the pages you think you may need during your stay. Have fun!
