

Estuary House

South Devon
www.estuary-house.co.uk

Welcome

We invite you to come and discover South Pool, South Devon

Estuary House is a large privately owned, luxury holiday home offering unique split level self-catering accommodation. This south-facing spacious house sleeps up to 10 and comprises: 5 bedrooms, 2 kitchens, 3 bathrooms, 2 reception rooms, sun terrace, balcony, conservatory, a large garden and even a Canadian Canoe that we encourage our guests to make use of on the picturesque estuary.

Located within an Area of Outstanding Natural Beauty (AONB) with a micro climate of it's own, Estuary House is the perfect place for your holiday, where you can enjoy the pure air and stunning scenery.

The House is a stone's throw from the tidal estuary where small boats and canoes can be launched. The local Inn, The Millbrook, is a short walk from the house. This area has an abundance of sandy beaches, crystal clear seas and National Trust Coastal Paths to explore. Nearby is Salcombe Harbour town, which is accessible by ferry, boat or road and has a range of fashionable cafes, restaurants and shops for you to enjoy.

With plenty to discover there's something here for everyone all year round

As the owners of Estuary House we have spent many years experiencing the South Hams area and we can easily say that this is a truly beautiful and unspoilt corner of Britain. Although we are based in Shropshire we have a dedicated team in South Pool who prepare the house for guests and we are pleased to say that many of our guests return each year.

We are looking forward to hearing from you

All holidays commence on a Friday. Short breaks are available at a minimum of 4 nights.
